

Leader Commitment Agreement

I, _____, understand that I am making a commitment to Vintage Park Community Church Awana Clubs. I have trusted in Jesus Christ alone for my salvation and am committed to a personal walk with Him by my regular attendance in a Bible teaching church. I desire to be faithful and to serve Him by serving as an Awana leader at Vintage Park Community Church. I will be a godly example to all clubbers, leaders and staff members.

I will complete the appropriate training for the club that I am working in and will attend annual Awana Leadership Training. I will participate in memorizing God's Word by working on an adult Awana book, learning the Truthscripts for the club year and/or working in a student book or other scripture memory program.

I will attend all club nights; meetings and other designated events unless I have arranged with my director and/or the commander to be absent. In the event of illness or emergency, I will contact my director as soon as possible to inform him/her that I will be unable to attend.

I will pray for and encourage the clubbers in my care. I will also attend child protection training. I will make regular contact with the clubbers in my care by way of phone calls, letters, post cards and home visits. I agree to a background check as a means to protect the clubbers, Awana, Vintage Park Community Church and myself.

If I have any questions or concerns, I will speak to my director or if he/she is not available, to the commander. I will support my director and the commander of Vintage Park Community Church Awana, and maintain a positive attitude toward all Awana events.

I will respect Vintage Park Community Church property, church leadership and Awana leadership, as an example to the clubbers. I will dress modestly, wear sneakers and wear my uniform shirt every club night and to all club events unless otherwise informed.

If I am under eighteen I will be a Leader-In-Training (LIT). I can expect to be treated like an adult leader with all the same rights and responsibilities. I can expect to have my clubbers look at me more closely than other adult leaders; therefore I will be a godly example to all clubbers, leaders and staff members. I understand that I will be assigned to work in Cubbies, Sparks or T & T after speaking with the commander. I will be of high school age and in regular attendance with a Journey group or high school Bible study as well as regular attendance in a Bible teaching church.
